Parent –Teacher Fellowship (PTF)

The Parent Teacher Fellowship's objective is to honor Christ while developing community, communication, appreciation, and financial support between parents, teachers, and students of Lynwood Christian Academy. Each parent is encouraged to take an active role in school functions and contribute to their child's learning experience. LCA PTF is a wonderful opportunity for parents to get involved and demonstrate to their children the importance of serving others in the body of Christ. Whether coordinating classroom activities, helping with school fundraisers, or assisting in school events, being involved empowers parents with understanding and appreciation for the quality of education their child is receiving at LCA. Being involved also builds relationships that are meant to last a lifetime.

How Can I Help? By offering your time, gifts and talents in service to the Lord through PTF, you can share in shaping and bringing to fruition the best and brightest future you can imagine for our teachers and children. By attending PTF meetings, getting involved in at least one or more activities, and by participating in the work to raise necessary funds, you can help set and achieve amazing goals for our children. If you would like to have a voice to help in promoting the vision of LCA for our teachers and children, please get involved in the Parent Teacher Fellowship. You are needed!

PTF Events and Fundraisers will be announced soon!

Recess

Elementary students are given two recess times each day. Weather permitting, these recess times are held outside. Adult supervision is present at all times. Appropriate clothing is necessary for the changing seasons.

STATEMENT OF FAITH

1. We believe the Bible to be the inspired, the only infallible, authoritative, inerrant Word of God (2 Timothy 3:16, 2 Peter 1:21).
2. We believe there is one God, eternally existent in three persons-Father, Son, and Holy Spirit (Genesis 1:1, Matt. 28:19, John 10:30).
3. We believe in the deity of Christ (John 10:33), His virgin birth (Isaiah 7:14, Matthew 1:23, Luke 1:35), His sinless life (Hebrews 4: 15, 7:26), His miracles (John 2:11), His vicarious and atoning death (1 Corinthians 15:3, Ephesians 1:7, Hebrews 2:9), His Resurrection (John 11:25, 1 Corinthians 15:4), His Ascension to the right hand of God (Mark 16:19), His personal return in power and glory (Acts 1:11, Revelation 19:11).
4. We believe in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature, and that men are justified on the single ground of faith in the shed blood of Christ, and that only by God's grace and through faith alone are we saved (John 3:16-19, 5:24; Romans 3:23, 5:8-9; Ephesians 2:8-10; Titus 3:5).
5. We believe in the resurrection of both the saved and the lost; that they are saved unto the resurrection of life, and that they are lost unto the resurrection of condemnation (John 5:28-29).
6. We believe in the spiritual unity of believers in our Lord Jesus Christ (Romans 8:9, 1 Corinthians 2:12-13, Galatians 3:26-28).
7. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life (Romans 8:13-14; 1 Corinthians 3:16, 6:19-20; Ephesians 4:30, 5:18).
8. We believe that the term *marriage* has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Genesis 2:18-25). We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Corinthians 6:18, 7:2-5; Hebrews 13:4). We believe that God's command is that there be no sexual intimacy outside of or apart from marriage between a man and a woman.
9. We believe that God wonderfully foreordained and immutably created each person as either male or female in conformity with their biological sex. These two distinct yet complementary genders together reflect the image and nature of God (Gen. 1:26-27).

HONOR CODE Grades 5 – 8

In agreeing to the honor code, I understand that I am making a pledge before the Lord to abide by the principles found in His Word, the Bible. These principles guide my daily choices and decisions and are based upon my willingness to have a lifestyle that reflects my relationship with Jesus Christ as Lord and Savior. My willingness to obey is an outworking of the love that I have for Him. I desire to make a personal commitment before Him to be a person of integrity in my attitude, words, actions, and deeds. I know that this will be accomplished through the help of the Holy Spirit at work in me.

1. I will love the Lord my God with all my heart and with all my soul and with all my strength and with all my mind.
2. I will love others.
3. I will love and obey God's Word, the Bible.
4. I will choose to forgive others.
5. I will submit to and have respect for those in authority.
6. I will apply myself wholeheartedly to the academic responsibilities at LCA.
7. I choose to have a "can do" attitude.
8. I will allow the Holy Spirit to develop His fruit in my life- But the fruit of the [Holy] Spirit [the work which His presence within accomplishes] is love, joy (gladness), peace, patience (an even temper, forbearance), kindness, goodness (benevolence), faithfulness, gentleness (meekness, humility), self-control (self-restraint, continence).
9. I will demonstrate a servant's heart and will put the needs of others before my own.
10. I will take care of my body by developing healthy habits. I will refrain from all immoral and illegal acts of behavior which are contrary to the Bible and which are described in the LCA handbook.
11. I will develop my own personal relationship with the Lord through daily Bible reading, scripture memorization, and prayer.
12. I will faithfully attend a church where God is honored and glorified.
13. I choose to be a reflection of Jesus in words, actions, and deeds.
14. I will honor and abide by the rules of LCA.

I understand that Lynwood Christian Academy is dedicated to their mission to teach and train godly young men and women to have an unshakable relationship with the Lord, while preparing and equipping them for their callings in the service of Jesus Christ. The Word of God is given preeminence in all instruction, as academic and spiritual excellence is pursued. I accept this challenge and will use the wisdom, knowledge, understanding, and discernment I gain from LCA to go into the world as an active "doer of God's Word" to fulfill the Great Commission. My attendance at LCA is a privilege and not a right. I choose to be in agreement with what is asked and expected of me to the honor and glory of God.

GRIEVANCE PROCEDURES

A Christian school is comprised of people- students, parents, teachers, staff, and administrators. Unfortunately, as with any organization and even with Christians, disagreements, misunderstandings and at times, conflicts occur. The following procedures should be followed to facilitate a quick and godly resolution; they are based on Matthew 5 and 18:

Parents:

1. Remain calm. Remember you are to be an example to your student in how you react or respond to any given situation. It is crucial that you do not undermine the authority figure in front of your student in words, actions, or deeds. Pray about the situation or incident.
2. Know in your heart that you and the staff member are on the same team.
3. Make sure you hear both sides of the situation before you predetermine what your next step will be. You will find that most situations will resolve themselves and are the result of a simple misunderstanding.
4. Do not take sides. Be ready to resolve the situation in a godly way.
5. To the best of your ability, try to resolve the situation with the teacher/staff member. If the issue remains "up in the air," set another meeting with the teacher/staff member. Other parents should not be notified or consulted about the situation.
6. Should an issue become impossible to resolve, set an appointment with the Headmaster for resolution.
7. It may become necessary to involve the LCA School Board, if resolution is not achieved in cases that become a major issue or concern.
8. Every effort and consideration should be given to maintain confidentiality throughout the process. Confidentiality is vital and necessary to handle the situation biblically.
9. Please remember the importance of forgiveness. As disciples of Jesus, we must be willing to forgive and be forgiven because no one is perfect but Him.
10. Love believes the best in others. The devil has a mission of conflict, strife, discord, division and every evil work. The staff of LCA and the LCA School Board are committed to follow these principles and those set forth in the ACSI brochure entitled, "The Matthew 18 Principle for Solving School Problems," written by Dr. Paul A. Kienel.

ACCEPTABLE USE OF TECHNOLOGY POLICY – Grades 5-8

In agreeing to the Acceptable Use Policy, I understand that I am making a pledge of compliance before the Lord, my parents/legal guardians, and the staff of LCA. I choose to abide by the rules and guidelines of this Acceptable Use Policy when using technology provided by Lynwood Christian Academy. My choice is based upon my willingness to have a biblical standard of moral conduct which reflects my relationship with Jesus Christ, my Lord and Savior. My willingness to obey is an outworking of the love that I have for Him and the desire I have to please Him. I know this commitment will be accomplished through the help of the Holy Spirit at work in me. The use of technology at Lynwood Christian Academy is a privilege and not a right. I understand that these privileges can be revoked at any time should I violate the rules for appropriate use.

1. I will use the computers and computer services for school purposes only. Any form of misuse will result in my privileges being restricted or revoked.
2. I will use appropriate communication at all times according to the policy guidelines and in the description of "Netiquette" mentioned below.
3. If assigned a personal profile, I will not share my user name, ID, or password with others.
4. I will use the internet for school purposes only. I understand that my access will be monitored and data may be retrieved and read because it is considered to be part of the official records of LCA, which is subject to disclosure to law enforcement and/or third parties.
5. If I accidentally access an inappropriate, offensive, or pornographic site, I will notify the teacher immediately.
6. If I accidentally receive an "Access Denied" notice, I will notify the teacher immediately. I understand that if I fail to report this, my internet browsing history may be reviewed to determine if there has been other related activity.
7. I will honor and respect all copyright laws regarding software, information, and attributions of authorship.
8. I will not download any software to school equipment.
9. I will not attempt to gain unauthorized access to another organization's systems and/or information.
10. If assigned a personal profile, I will always log off the computer so another person will not be able to access my account.

I will follow the simple guideline of "If in doubt, don't!" I understand that Lynwood Christian Academy is dedicated to the safety and protection of students who are allowed to use the school's technology. It is my responsibility to use LCA technology in an ethical and lawful manner. I understand that my use of the computer systems may be suspended immediately upon the discovery of a possible violation of the LCA technology policies. A violation of the provisions of this agreement and policy may result in disciplinary action up to, and including, expulsion.

"Whatever you do, in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him." Colossians 3:17

SOCIAL MEDIA POLICY – Grades 5 - 8

Social networking can be an effective means of communication when used appropriately. Content-sharing sites like You Tube, along with Facebook, Twitter, blogs, and podcasts, are a few commonly used forms of social media. LCA has established rules and guidelines to protect students, parents, staff, and administration from potential liability as well as slander. Responsible use of social media can be an asset. As a result, it is very important that students, parents, staff, and administration understand network etiquette which is referred to as "Netiquette."

When using social media, students, parents, staff, and administration must remember they represent LCA, but more importantly they represent Jesus Christ. As a result, careful attention must be given to what is said or written and how it is said or written. Words are very important to our heavenly Father. He created the world with them! We must be careful to frame our world and the world of others with words that please Him. Ephesians 4:29 states, *"Let no foul or polluting language, nor evil word nor unwholesome or worthless talk [ever] come out of your mouth, but only such [speech] as is good and beneficial to the spiritual progress of others, as is fitting to the need and the occasion, that it may be a blessing and give grace (God's favor) to those who hear it."* Embracing and applying the principles of "netiquette" is one way to appropriately use social media. Listed below are simple guidelines to follow:

1. Be polite. Be kind. Use appropriate language. Swearing, vulgarities, suggestive, obscene, belligerent or threatening language is prohibited.
2. Avoid communication that may be offensive to others. Do not use, make, distribute, or redistribute jokes, stories, or other material that is based upon stereotypes or slurs relating to race, gender, ethnicity, nationality, religion, or sexual orientation.
3. Guard and protect the identities of others and their reputations. Integrity and honesty are vital. People believe what they read. The Word of God says "love covers a multitude of sins." People will always make mistakes. As a child of God, we do not need to broadcast others' faults to the world. The Golden Rule is a great guide to follow when using social media. It states, "Do unto others as you would have them do unto you."

Readers who know that you go to a Christian school will connect your personal life to your school life; so, your use of social media should be consistent with your testimony as a child of God and disciple of Jesus Christ.

Violations—LCA will investigate and respond to all reports of violations of the social media policy. Disciplinary action will follow according to the consequences in the Discipline Policy- detentions, suspension, and/or dismissal which will be determined by the content of the blog or post.

And whatever you do [no matter what it is] in word or deed, do everything in the name of the Lord Jesus and in [dependence upon] His Person, giving praise to God the Father through Him. Colossians 3:17.
